

Rising Stars & Show-And-Tell

TERMS AND CONDITIONS

17th ANNUAL MALAYSIAN REHABILITATION MEDICINE CONFERENCE 2026

Talented rehabilitation physicians are invited to submit executive summary to become the speakers for the **Rising Stars** and **Show-and Tell** slots.

Slot Date and Time

- 21 November 2026 (Saturday)
- Rising Stars : 1030 to 1130
- Show-and-Tell : 1130 to 1230

Slot Formats

- 15 minutes per speaker

We are looking for submissions in the following areas:

- Clinical Excellence: Challenging cases or innovative management strategies.
- Digital Integration: How you are using AI, apps, or telehealth to improve patient care.
- Service Improvement: Projects that enhance the efficiency or quality of your rehab unit.
- Research & Advocacy: Insights from recent studies or community outreach initiatives.

Submission Terms and Conditions

1. Rising Stars speaker must be below 12 years of specialist service. No age limit for Show-and-Tell speaker.
2. These slots are meant for single speaker. You may present on behalf of your team.
3. Provide the executive summary of your presentation using the template provided.
4. Submit in **PDF format** through the designated online submission form.
5. Executive summary will be reviewed by the AMRMC Scientific Committee based on relevance, educational value, feasibility and suitability for the conference.

6. The Scientific Committee will review all the submissions and deliberate the decision on which topic goes to which slot.
7. There will be no speaker fee or hotel room reservation nor waiver of registration fee for speakers or those conducting workshops. It is purely voluntary.

Important: Only executive summaries submitted by the stated deadline will be considered.

Why Present?

- Professional Recognition: Selected speakers will receive a "Rising Star Presenter" Certificate.
- Mentorship: The best presentation (voted by the audience) will receive a special commendation during the closing ceremony.
- Networking: Gain visibility among senior consultants and association leadership.
